INFORMATION AND CARE SERVICE FOR WOMEN

What is the SIAD?

The SIAD is an Information and Care Service for Women. It's a service designed for women that provides information, guidance, advice and support concerning all aspects of their lives, including work and social, personal and family matters.

Services on offer

- Legal:
 - ➔ Advice on crisis situations involving couples, disability processes and child custody and guidance on legal issues.
- Psychological:
 - ➔ Psychological support in situations of emotional distress.
 - ➔ To promote and improve communicative and social skills and self-identification.
- Social:
 - ➔ Information, guidance and advice on resources and services.
 - ➔ Detection and prevention of risk situations and social exclusion.
 - ➔ Care and support in situations involving male violence.

The SIAD also performs community work by supporting women's associations, training, mutual aid groups, the prevention and detection of potential situations involving male violence and coordination with the territory's public and private networks.

Who is it aimed at?

All women in the county of Ribera d'Ebre, to enable them to enjoy and exercise their rights in freedom and without discrimination.

Opening hours

Make a prior appointment by calling **977401851** or **650115656** from Monday to Friday, from 9:00 am to 3:00 pm
